The Nebraska Junior Golf Tour (NJGT) is the state's premier junior golf organization offering just over 40 competitive golf events for young golfers. To play in these tournaments an individual must be a member of the NJGT. Membership is open to both boys and girls beginning at age 7 and continues through the summer after a golfer's graduation from high school. For information on membership please visit www.njgt.org.

A golfer's age on July 1, 2011 determines his/her age group of competition for the entire season & their membership classification.

NJGT COMPETITONS SCHEDULE:

REGULAR EVENTS *(available on page 2 of this application):*

The NJGT will offer 36 regular events staged at golf clubs around the state. These regular tournaments are open to all members and offer various age and gender divisions to compete in with prizes awarded to the top finishers in each. Beginning in 2011 nine-hole golfers (boys ages 7-11 and girls 7-13) will compete with a partner in a better-ball format. Each player will be required to register individually and must note their partners name in the appropriate area. Those nine-hole golfers that register without a partner will be assigned one by the Committee. The remaining golfers (boys 12 & older and girls 14 & older) will play 18-holes of individual stroke play. Age and gender divisions exist as follows: 7-8, 9-11, 12-13, 14-15, 16 & older. The entry fee for regular events is \$20 for 9-holers and \$25 for 18-holers.

PREMIER EVENTS *(available on page 2 of this application):*

In addition to regular events, the NJGT provides 4 premier tournaments. Premier tournaments are open to boys 12 & older and girls 14 & older and are higher level 18-hole stroke play competitions with set-up and administration similar to a state championship. All players play from the same gender tees with overall and age divisional recognition (awards & points) following each event. A junior golfer's performance in both premier events and the state's major junior golf championships determines post-season all-star teams and invitations to the NJGT's North-South junior cup matches. The entry fee for premier competitions is \$30.

NIKE GOLF JUNIOR FOUR-BALL *(separate application available at njgt.org):*

The Nike Golf Junior Four-Ball is new to the NJGT calendar. Scheduled Wednesday, June 1 at Indian Trails Country Club in Beemer, Nebr., the Four-Ball is a partner event reserved for NJGT members at the 18-hole level (boys 12 & older, girls 14 & older). In Four-Ball stroke play, two competitors play as partners, each playing his/her own ball. The lower score of the partners is the score for the hole. The entry application for this competition is separate from this form and may be found on the NJGT web site at njgt.org. Fee is \$30/player.

LITTLE JUNIOR AMATEUR *(separate application available at njgt.org):*

The Little Junior Amateur (LJA) is scheduled Sunday, June 26 and Monday, June 27 at Fontenelle Hills Golf Club in Bellevue, Nebraska. The LJA includes a family oriented Sunday complete with a 9-hole parent-child alternate shot competition and welcome barbecue. The LJA competition is a 9-hole stroke play championship Monday followed by a pizza & prize party. As the title suggests, the LJA is open to boys 7-11 and girls 7-13 only. It is also the only NJGT event open to non-tour members for a higher fee. The application form for this competition is separate from this form and may be found on the NJGT web site at njgt.org. Fee which includes the parent-child, welcome barbecue, tournament and pizza party is \$50 for members and \$60 for non-members.

NORTH-SOUTH JUNIOR CUP *(invitation only based on points):*

The North South Cup puts the top junior golfers from Nebraska against one another in a Ryder Cup-style team competition. Four (4) 12-13 year olds (4 boys); eight (8) 14-15 year olds (4 boys/4 girls) and sixteen (16) golfers age 16 and older (8 boys/8 girls) will be selected based upon their standing in NJGT Point Standings. Each team, the North and the South will be paired for two rounds of team match-play competition (Four-Ball and Foursomes) with each match worth a point.
